3RD INTERNATIONAL CONFERENCE

The 3rd International Conference on Innovations in Data Analytics (ICIDA 2024) was a remarkable event that took place on December 18-19, 2024, at The Westin, Newton, Rajarhat, West Bengal, organized by Eminent College of Management & Technology, which is run by the Nirmala Foundation. This conference, supported by various international and national partners, including the Scientific Research Group in Egypt (SRGE), Scientific Innovation Research Group (SIRG), and Computational Intelligence & Information Systems Labs (CI2S), successfully brought together academics, professionals, and industry experts in the fields of computing, communication, and data science.

ICIDA 2024 continued the success of its previous editions in 2022 and 2023, which were held online. This year's conference was conducted in both offline and hybrid modes, with over 1,000 papers submitted globally. After a rigorous peer review process, hundreds of high-quality research papers were selected for publication in Springer LNNS (Lecture Notes in Network and Systems). The event aimed to inspire young scholars, explore emerging research avenues, and highlight the potential of data science in initiatives like "Make in India."

ICDMIS 2024

The International Conference on Data Mining and Information Security 2024 was organized by the International Knowledge Research Foundation in collaboration with Eminent College of Management and Technology (ECMT), West Bengal, India, in association with Universitas Al Asyariah Mandar, Indonesia from 7th to 8th October, 2024. The conference successfully brought together innovative academics and industrial experts in the field of Computing and Communication to a common forum.
