PROSPECTUS

2024-25

MAULANA ABUL KALAM AZAD UNIVERSITY OF TECHNOLOGY, WEST BENGAL

# EMINENT COLLEGE
## OF MANAGEMENT & TECHNOLOGY

Affiliated to Maulana Abul Kalam Azad University of Technology, W.B.
(Formerly known as West Bengal University of Technology)

EMINENCE THROUGH EXCELLENCE

# THE UNIVERSITY

The Government of West Bengal set up an expert committee on December 31, 1998, to explore the necessity and scope for establishment of an Engineering / Technology University in West Bengal. The University came into operation formally with the assumption of the office of the first Vice Chancellor on January 15, 2001 as a sequel to the promulgation of THE WEST BENGAL UNIVERSITY OF TECHNOLOGY ACT, 2001, under West Bengal Act XV of 2000 passed by the West Bengal Legislature. The university is included in Section 2F and also in Section 12B of UGC and recipient of UGC grant. The university is steadfast in its twin objectives: To serve as a Centre of Excellence in teaching and research in technology of industrialization on based on knowledge economy.

According to West Bengal University of Technology (Amendment) Act, 2015, in section – 1 of the West Bengal University of Technology act, 2000 the name "West Bengal University of Technology" has been changed into "Maulana Abul kalam Azad University of Technology".

# AFFILIATION

All the courses of Eminent College of Management & Technology is affiliated to Maulana Abul kalam Azad University of Technology (Formerly known as West Bengal University of Technology). ECMT is proud to announce that it satisfies all the norms of university & is marked as excellent for its Infrastructure, Architecture, Faculty Members & other facilities. This affiliation not only ensures our authentication but also proves our excellence & our potentiality.

# THE TRUST

Nimala Foundation

Nimala Foundation is a non-commercial organization, consisting eminent members from various sectors of society. The foundation also desire to contribute to the society by establishing Colleges, Health Centers, Old Age Home & many more.
Inspired by the noble cause of imparting education and promoting excellence, Nimala Foundation has established Eminent College of Management & Technology. The institute is affiliated to Maulana Abul Kalam Azad University of Technology (Formerly known as West Bengal University of Technology). The Foundation's primary aim is to create an atmosphere where teaching and education will be totally integrated with serious research end over. Nimala Foundation always aims for an overall development of students with special emphasis on communication & soft skills, sports & cultural events along with the regular academic & technical skills. The objective is to make the students brilliant professionals as well as good human being with the infusion of ethics, discipline and moral values which can contribute effectively to the society. Thus all the members of the trust are determined to work together for a bright and prosperous future of the budding minds.

# FROM THE CHAIRMAN DESK

*" Management is, above all practice where art, science and craft meet "*

*– Henry Mintzberg*

I always experienced an yearning to acknowledge my responsibilities and reciprocate by contributing to the growth and development of our society and I perceived that the best way to advance society is by fostering education. It was at that moment that the dream and vision of Eminent College of Management & Technology was conceived and we are proud to establish this college where students can be industry fit & fulfill their dreams to have a brilliant career.

We have tried to mingle knowledge & skills in order to promote our academic values believe in creating an overall foundation on social, cultural, scientific, economic and technological enrichment. Therefore, our focus is to achieve unparalleled excellence that will bring development to our society and mankind by optimizing their potential.
Therefore, in Eminent College of Management & Technology we believe to make students efficient through the path of Excellence.

With my best wishes I welcome all to this college.

**Mr. Samir Chakraborty**
*Chairman*
***Nirmala Foundation***

# FROM THE ACADEMIC DIRECTOR DESK

*"Without continual growth and progress, such words as improvement, achievement, and success have no meaning."*

– *Benjamin Franklin*

Neutrally speaking this Institute, backed by solid resources, conducive environment with an emphasis on value added education, sincerely trying to bridge the gap between academics and industry, have every strength to forge ahead and could go on guiding the students in a disciplined way to the path of success in their life.

Our vision is to inspire our students to reach their potential in their chosen career. ECMT is dedicated to provide education opportunities to students whose access might otherwise be restricted or non-existent by offering recognized qualifications that reflect the needs and demands of the market and industry. ECMT is registered and accredited with the MAKAUT Qualifications Authority and meets all of the requirements.

This accreditation ensures a high standard of premises, resources, teachers and education. We are linked with wide range of industry that keeps it in touch with the changing needs of modern world. It has carefully chosen the courses catering to the fastest growing industries, which consistently demand highly qualified personnel. Our courses are designed not only to inspire students but also to provide students essential skills required by employers. We also possess highly educated and internationally experienced teachers to assist students in balancing education with the busy life, so they can focus on studies & a carefully chosen community of industry / academics to help with professional networking and to make a few friends along the way.

In a word, creative thinking, pedagogic diversity, intellectual change and interdisciplinary have always been fundamental to ECMT education.

So, our goal is to deliver teaching and learning programs that are collaborated with current research and at the same time are attractive to students from all socioeconomic and cultural backgrounds.

So, don't wait another day. Apply now and start your path to success.

Best Wishes.

**Dr. Surajit Goon**
*Academic Director,*
*Eminent Group of Colleges*

# ABOUT US

*"Success is no accident. It is hard work, perseverance, learning, studying, sacrifice and most of all, love of what you are doing or learning to do."*

– *Pele*

Location-wise ECMT has one of the most beautiful campuses in this part of India. Situated in rolling parkland on the edge of Barasat, the campus combines aware- deserving architecture with green open space. The campus is surrounded by pollution- free park / play ground – just a few minutes away from the lively city. The ECMT campus fuses together a number of creative and business disciplines and is located at the heart of booming creative surrounding.

From its foundation, ECMT has had an international perspective to its academic activities and its outlook. Our forward looking academic and industry – oriented teaching tackles major Indian and global issues, with leading areas of expertise.

We, at ECMT believe in establishing a long tradition of engaging with business and the community, which could continue through activities such as Innovation Centre, public lectures and service to the community. Our goal is to help businesses and organizations in the region in particular and develop higher staff skill levels through training, and to stimulate innovation through partnership with other institutions outside ECMT to benefit the wider society.

Thus ECMT is an one-stop venue for promoting a vibrant and sustainable atmosphere for teaching-learning. Besides academics, the students get an exposure to the world of co-curricular activities which help them in shaping their personality.

Thus, the cornerstone of the successful evolution of Eminent College of Management and Technology lies in its meticulous tutoring and mentoring of the future professionals of the industry as well as of academia and citizens of the society where the Institute's success has always been directly proportional to the success of the students.

# OUR MISSION VISION VALUES

## VISION

Eminent College of Management & Technology aims to make learning possible by the discovery, acquisition and application of knowledge, diverse learning experiences and interactive teaching learning experiences and interactive teaching learning process. In ECMT education have delivered with a concern for the world in which we live and for the betterment of society by extending its educational, industrial and cultural resources and technological expertise. The College seeks to promote the intellectual and ethical life of its students, preparing them for rewarding careers, personal development and contributing towards social progress.

## MISSION

All the members in ECMT are determined to create academic excellence and a global campus culture that prepare students to fulfill their academic, professional and social goals & can produce the best human resources who are equipped to address the increasing demand and professional necessities of modern industry. All the members are dedicated to form a unique centre of learning with multifaceted activities where young and eager school-leavers are transformed into trained and knowledgeable professionals, ready to face the challenges of the modern world.

## VALUES

To enrich the knowledge of the students and teaching professionals in continuous way by providing them the state of the art facilities and to keep them abreast of the new ides and thought in the field of modern education.
To encourage Faculty Members to pursue research in related fields and to develop full fledge Research wing within house research facilities to facilitate the faculty member to enhance their knowledge through experimentations in teaching and learning with global outlook.
To Organize Industry oriented programs at regular intervals to acquaint the students with practical exposure.
To build up healthy and congenial student teacher relationship, fostering the sense of belongingness for overall development.

# OUR INFRASTRUCTURE

## VAST LUSH GREEN CAMPUS

Eminent College of Management & Technology occupies a campus area of 10 bighas. It is home to several architecturally striking building where every need of both staff and students have met. Tree-lined avenues and lush lawns dotted with beautiful flowering shrubs soothe the eyes and create an ideal learning ambiance.
The campus is situated in lap of nature, surrounding with greenery which produces a perfect pollution free & calm environment of learning.

## LIBRARY & INFORMATION CENTER

The Library and Information Center at ECMT goes beyond being a traditional repository of course-related books; it serves as a comprehensive hub of knowledge and support for both students and faculty. With an extensive collection of resources, including a vast array of National and International journals, diverse magazines, and a multitude of books tailored to various courses, the library provides an enriching environment for exploration and learning.Currently, the library boasts an impressive inventory, featuring 5 national journals, 2 international journals, and access to online journals through DELNET. The diverse collection extends to 5 magazines, 2611 books catering to BBA, 2245 books for BCA, 2103 books for BBA (HM), 1119 books for BMLT, 679 books for B. Optometry, and 1652 books for M.Sc in CS. This comprehensive range ensures that the library is well-equipped to support the academic needs of students pursuing different disciplines.

## E-LIBRARY

In embracing the digital age, ECMT offers an E-Library, providing students the convenience of accessing numerous National and International journals from the comfort of their homes. The digital platform extends beyond geographical boundaries, allowing seamless exploration of resources and easy access to information about library services and book availability through the Internet. The integration of traditional and digital resources underscores ECMT's commitment to fostering a dynamic and accessible learning environment.

# OUR INFRASTRUCTURE

## GYM FACILITY

We have our Gym facility to keep our student's health Strong & Fit.

## COMPUTER LAB

The computer lab at ECMT is designed to offer students hands-on experience with cutting-edge technology. With 200 computers, we provide a robust infrastructure to support practical learning, enabling students to apply theoretical knowledge in a real-world context. This setup enhances their understanding of concepts and prepares them for the demands of their respective fields.

## LANGUAGE LAB

Our language lab is a dedicated space for effective English language learning. Equipped with interactive Sanako software and headsets featuring microphones, this facility focuses on improving students' communication skills. The software aids in language development by offering a dynamic and engaging platform for practicing speaking, writing, and reading. Additionally, the lab supports placement assessments and classroom grading, ensuring a comprehensive approach to language education. At ECMT, we are committed to fostering a learning environment that goes beyond traditional methods, preparing our students for success in their academic and professional journeys.

## DIGITAL CLASSROOM

Eminent college provides digital college classroom, where the convergence of technology and education transforms the traditional learning landscape. Rows of desks or tables neatly arranged, each equipped with the tools for a dynamic learning experience. The focal point is a multimedia projector, casting vibrant visuals that captivate attention.

As the instructor navigates through a digital interface, concepts come to life through simulated teaching methods. These methods go beyond traditional textbooks, offering a multisensory journey that enhances conceptual understanding. The atmosphere is charged with the hum of engagement as students actively participate in discussions and activities facilitated by the seamless integration of audio-visual equipment. Whiteboards and blackboards, once confined to static diagrams, now become interactive canvases where ideas flourish. The blend of traditional and cutting-edge elements creates a space where knowledge is not just shared but experienced. The size of these digital classrooms varies, reflecting a commitment to tailoring the learning environment to suit diverse subjects and institutional preferences. In this space, education transcends boundaries with technology.

# OUR INFRASTRUCTURE

## WI - FI CAMPUS

In ECMT a high quality wireless router is being used which receives and decodes the signal very fast. It will send information to the Internet using a secured wireless Ethernet Connection, so the information remains secret and communication becomes faster. Here students can avail this facility anytime for learning more appropriately by connecting with the world through internet & can enrich their knowledge.

## COMMON ROOMS FOR BOYS' & GIRLS'

As recreation is essential for students, ECMT provides separate Common Rooms both for Boys & Girls. Both the common rooms are equipped with various indoor games to complete the recreation of our students.

## MEDICAL ROOM

To ensure proper safety of students & give them proper protection ECMT has its own Medical Room. This is equipped with various medicines & First Aid kit for emergency. Here free health checkup for our students have arranged in every six months.

## TRANSPORTATION

ECMT has arranged complementary transport facility (from Barbaria Bus Stop to College) for the convenience of all the students so that they can travel with comfort.

## CONFERENCE ROOM

Within the symphony of ECMT's conference room, the interplay of technological finesse and architectural artistry is an immersive experience. Picture yourself enveloped in the sanctuary of soundproof walls, a shield against external distractions, allowing a profound focus on the matters at hand. As presentations unfold, the cutting-edge audio/video setup transcends the conventional, making the content palpable and engaging. Beyond its capacity for large gatherings, this dynamic environment fosters collaborative exploration, encouraging the convergence of ideas where dialogues

# OUR INFRASTRUCTURE

resonate with enduring impact.
ECMT's conference room transcends its physical boundaries; it's a living testament to the seamless fusion of aesthetic form and functional brilliance, providing a stage where engagements are not just conducted but transformed into moments of inspiration and transformative discussions.

## SCHOLARSHIP

In ECMT various Scholarships are available for meritorious students. (All Scholarship seats are limited and subject to approval of college authority). Apart from these, some government scholarships are also available.

## CANTEEN

ECMT's canteen is not just a place to eat; it's an inviting haven for students. With its spacious and airy design, it provides a comfortable setting for individuals or groups to unwind. The affordable yet delicious food options make it a go-to spot for students seeking a quick refreshment. Whether you're craving local specialties or international cuisines, the canteen caters to diverse tastes, enhancing the sense of community as students come together to enjoy a variety of culinary delights.

## LABORATORY

The ECMT BMLT laboratory, boasting five or more specialized facilities, stands as a cutting-edge hub for hands-on training in medical laboratory techniques. Aligned with the Bachelor in Medical Laboratory Technology program, this state-of-the-art space empowers students with vital skills essential for clinical laboratory work. Activities span from diagnostic tests to the analysis of diverse medical samples, cultivating proficiency in clinical biochemistry, microbiology, hematology, and pathology. The dynamic learning environment emphasizes practical education, guided by experienced technicians and faculties who ensure individualized care and nurturing.
Beyond BMLT, ECMT's commitment extends to the B.Optometry program, where well-equipped laboratories cater to comprehensive training for aspiring optometrists. The dedication to providing advanced instrumentation and technology establishes an environment where students seamlessly bridge theory with practical application. The laboratories, overseen by experienced professionals, not only contribute to academic growth but also serve as a platform for professional training, preparing students effectively for their future careers in medical laboratory science and optometry.

# OUR EXTRA CURRICULAR ACTIVITIES

## HOSTEL FACILITIES

ECMT's hostel facilities are truly commendable, addressing the accommodation needs of both male and female students. Noteworthy is the commitment to affordability, ensuring that hostel living remains accessible to all. The hostels stand out with their comprehensive facilities, creating a comfortable and conducive environment for academic pursuits. Emphasizing the paramount importance of security, ECMT has implemented stringent measures to guarantee the safety and well-being of its residents. Additionally, the provision of separate hostels, well-equipped with an ample number of beds, further underscores ECMT's dedication to providing a positive and secure living experience for its students.

## WORKSHOP@UNIVERSITY

Students of BBA department, along with few faculty members, attended workshop and participated in Case study competition, in the University campus, on 9th May 2018.

## MAGAZINE & WALL MAGAZINE

ECMT always encourage students for innovation & creation through Annual Magazine & Wall Magazine presented by the students of different department under the name of 'Vision', 'Tech nix', and 'Health +', 'Image-in-nation' and Path-o-logy'.

## GAMES & SPORTS

The sports culture at the college creates a dynamic and exciting atmosphere, with students engaging actively in various indoor and outdoor games. Representing the college at the university level adds a competitive edge to the experience. Beyond sports, the fun and excitement extend to events like food fests organized by ECMT students, highlighting diverse talents and fostering a lively campus community.

## EXTRA FEATURES

Project work, Robotics Model, Automatic Solar Sanitizer Tunnel, Automatic Hand Sanitizer.

## CULTURAL EVENT

We encourage our students to participate in various cultural events organized by the college, to nurture their talents and enhance their talents.

# B. OPTOMETRY
(BACHELOR OF OPTOMETRY)

4 YEARS • EIGHT semester

## ABOUT

The profession of optometry is a mixture and legal educational practice management service delivery and public health initiative that is unique to every country and based on culture educational and regularly frame work. The aim of WCO is to promote the establishment of a common global standard of optometric care for the public benefit. Whilst is Optometry is more than just the correction of refractive error, refractive error is its core business. Uncorrected refractive error is the second highest cause of blindness and the main cause of visual implement globally.
The four years regular degree program in Bachelor of Optometry has been framed the teach and train visual science that deal with the examination of the human eye for estimation of refractive error and prescription of glasses ,fitting and manufacturing of contact lenses, low vision aids, Orthoptics (Eye exercises) and other optical aids.
The prime objective of the B.Optometry program is to provide the best quality education in the arena of Paramedical Sciences and at the same time creating industry ready professionals by improvement and development of their inherent skills and abilities.

## ELIGIBILITY

A candidate may be admitted to the B. Optometry course provided that he / she has passed the Higher Secondary Examination (10+2), in Science stream with subject combination of Physics, Chemistry, Biology or Mathematics, conducted by WBCHSE / ISC / CBSE / state boards recognized by the WBUT. HS passed candidate from any stream can also get their admission through CET, announced by the MAKAUT.

## GLOBAL ROLE

The profession of optometry is a mixture of legal educational practice management service delivery and public health Initiative that is unique to every country and based on culture educational and regularly framework. The aim of WCO is to promote the establishment of a common global standard of optometric care for the public benefit. Whilst is Optometry is more than just the correction of refractive error, refractive error is its core business. uncorrected refractive error is the second highest cause of blindness and the main cause of visual implement globally.

## COURSE CONTENT

### SEMESTER - 1

**THEORY**

**BO-101** GEOMETRICAL OPTICS (OPTICS I)
**BO(N)-102** PHYSIOLOGY (GENERAL)
**BO(N)-103** ANATOMY (GENERAL)
**BO(N)-104** BASICS OF BIOCHEMISTRY
**BO(N)-105** PROFESSIONAL COMMUNICATION IN ENGLISH

**PRACTICAL**

**BO(N)-191** GEOMETRICAL OPTICS (OPTICS I)
**BO(N)-192** PHYSIOLOGY (GENERAL)
**BO(N)-193** PROFESSIONAL COMMUNICATION IN ENGLISH

### SEMESTER - 2

**THEORY**

**BO-201** PHYSICAL OPTICS (OPTICS II)
**BO-202** OCULAR PHYSIOLOGY & NUTRITION
**BO-203** ANATOMY (OCULAR)
**BO-204** ENVIRONMENT & ECOLOGY
**BO-205** COMPUTER FUNDAMENTALS

**PRACTICAL**

**BO-291** PHYSICAL OPTICS (OPTICS II)
**BO-292** COMPUTER FUNDAMENTALS

### SEMESTER - 3

**THEORY**

**BO-301** VISUAL OPTICS
**BO-302** BINOCULAR VISION & OCULAR MOTILITY
**BO-303** MEDICAL PATHOLOGY & MICROBIOLOGY (GENERAL AND OCULAR)
**BO-304** PHARMACOLOGY
**BO-305** OPHTHALMIC INSTRUMENTATION AND PROCEDURE-I
**BO-391** MEDICAL PATHOLOGY & MICROBIOLOGY (GENERAL AND OCULAR)
**BO-392** OPHTHALMIC INSTRUMENTATION AND PROCEDURE-I

" WE ARE EXPERT IN PROVIDING YOU WITH GREAT LABORATORY FACILITIES "

# B. OPTOMETRY
(BACHELOR OF OPTOMETRY)

4 YEARS • EIGHT semester

### SEMESTER - 4

**THEORY**

**BO-401** INTRODUCTION TO VISION SCIENCE
**BO-402** OCULAR DISEASE-I (ANTERIOR SEGMENT DISEASE)
**BO-403** CLINICAL REFRACTION I
**BO-404** OPHTHALMIC LENS & DISPENSING OPTICS
**BO-405** OPHTHALMIC INSTRUMENTATION AND PROCEDURE-II 2

**PRACTICAL**

**BO-491** CLINICAL REFRACTION I
**BO-492** OPHTHALMIC LENS & DISPENSING OPTICS
**BO-493** OPHTHALMIC INSTRUMENTATION AND PROCEDURE-II

### SEMESTER - 5

**THEORY**

**BO-501** LOW VISION AIDS & VISUAL REHABILITATION
**BO-502** CONTACT LENS
**BO-503** CLINICAL REFRACTION II
**BO-504** OCULAR DISEASE II (POSTERIOR AND NEURO EYE DISEASE)
**BO-505** PUBLIC HEALTH AND COMMUNITY OPTOMETRY

**PRACTICAL**

**BO-591** LOW VISION AID AND VISUAL REHABILITATION
**BO-592** CONTACT LENS
**BO-593** CLINICAL REFRACTION II

### SEMESTER - 6

**THEORY**

**BO-601** SYSTEMIC CONDITION & THE EYE
**BO-602** FUNDAMENTALS OF CLINICAL RESEARCH METHODS
**BO-603** SPECIALIZED CONTACT LENS
**BO-604** PROFESSIONAL PRACTICE MANAGEMENT
**BO-605** APPLIED OPTOMETRY AND ORTHOPTICS

**PRACTICAL**

**BO-693** SPECIALIZED CONTACT LENS
**BO-695** APPLIED OPTOMETRY AND ORTHOPTICS

# BMLT
(B.SC. IN MEDICAL LABORATORY TECHNOLOGY)

4 YEARS • EIGHT semester

## ABOUT

B Sc in Medical Laboratory Technology is three years degree program aims to provide the aspirant four with sufficient knowledge and skills to carry out routine laboratory diagnostic procedures and some sophisticated laboratory diagnostic procedures. The course deals with new advances in Management of Laboratories, instrumentation etc. Bachelor in Medical Laboratory Technology course offers skill and knowledge progress in applying medical standards and technical standards for assessing a lab test.

## ELIGIBILITY

A candidate may be admitted to the BMLT course provided that he / she has passed the Higher Secondary Examination (10+2), in Science stream with subject combination of Physics, Chemistry, Biology and Mathematics, conducted by WBCHSE / ISC / CBSE/state boards recognized by the WBUT. HS passed candidate from any stream can also get their admission through CET, announced by the MAKAUT.

## OPPORTUNITY

A BMLT graduate has ample of opportunities waiting around, all one needs to do is to grab it. All of this is because of the diverse skill in laboratory techniques that one possesses. There are many BMLT job opportunities after graduation. Some of the job profiles for BMLT graduates are mentioned below:
Lab Technician • Junior Technical Executive • Lab Medicine Technician • Pathology Technician • Orthopaedic Technician • X-Ray Technician • MRI Technician • CT Scan Technician • OT Technician • R & D Lab Assistant.

## COURSE CONTENT

### SEMESTER - 1

| | |
|---|---|
| **BMLC101** | FUNDAMENTALS OF ANATOMY AND PHYSIOLOGY |
| **BMLC191** | LAB |
| **BMLC102** | GENERAL MICROBIOLOGY & PARASITOLOGY, VIROLOGY & MYCOLOGY |
| **BMLC192** | LAB |
| **MIC101** | COMPUTER FUNDAMENTALS |
| | ANY ONE FROM GE BASKETS B OR E |
| **AECC101** | ENGLISH & PROFESSIONAL COMMUNICATION |
| **SEC101** | LIFE SKILLS AND PERSONALITY DEVELOPMENT |
| **VAC181A** | YOGA |
| **VAC181B** | HEALTH & WELLNESS |
| **VAC181C** | SPORTS |

## ELYSIUM 2024

Eminent College of Management and Technology (ECMT) held ELYSIUM 2024, an exciting gaming competition that enthralled both competitors and onlookers. The enormous talent and fierce competition within the gaming community were on display at the event, which took place at the ECMT College Campus. Under the passionate direction of Eminent Group of Colleges' Academic Director, Dr. Surajit Goon, ELYSIUM 2024 brought together gamers from all across the region to demonstrate their prowess in a variety of gaming genres. In addition to giving players a stage to display their prowess, ELYSIUM 2024 encouraged teamwork and good sportsmanship among competitors. It demonstrated the increasing significance and appeal of gaming as a competitive activity and reinforced ECMT's dedication to developing talent in a variety of fields.

## SIH 2024

Smart India Hackathon 2024 at Eminent College of Management & Technology organized by the department of BCA and BBA with the aim of preparing students for National level SIH 2024. In this event seven teams with a total of eight ideas, each team consisting of six members, including at least one female member participated. The event successfully showcased the participant's enthusiasm and innovative approaches and earned judges' confidence in their potential for National level performance.

## WORKSHOP ON LOW VISION

Susrut Eye Foundation & Research Centre recently conducted workshop on “Low Vision” at ECMT; during this program optometrist from low vision department and experts from the industries imparted hands-on training and shared their experiences to enrich students' knowledge to take them one step forward to become future optometrist.

## PHOENIX INNOVATE 2023

PHOENIX INNOVATE: Rising Ideas, Bright Future; a collaborative event organized by the BBA and BCA departments of Eminent College of Management & Technology in conjunction with the Institution's Innovation Council (IIC) under AICTE. Held on May 24, 2023, theThe event aimed to foster entrepreneurial spirit among students by providing a platform for the presentation of innovative business ideas. Students from both departments participated, collectively showcasing a diverse range of business plans integrating business acumen with technological solutions.

## EXPLORING THE EVOLVING ROLE OF STUDENTS IN HEALTH CARE SECTOR

Eminent College of Management and Technology orchestrated a remarkable event that delved deeply into the pivotal role of students within the healthcare sector as a promising career pathway. This event, brimming with anticipation, welcomed students from various disciplines, with a particularly fervent participation from the esteemed Hospital Management and Medical Laboratory departments. The highlight of the occasion was the esteemed presence of Mr. Sagnik Saha, a distinguished figure in the healthcare industry, serving as the Business Lead at Narayana Health. Mr. Saha eloquently illuminated the intricacies of the healthcare landscape, offering a panoramic view of the diverse opportunities it presents to envision the students as catalysts for positive change.

- 100 % Placement Assurance

# OUR RULES AND HOSTEL

## GENERAL RULES

Everyday classes will start from10.00 a.m. & will end at 5.30 p.m. Students have to reach college within the scheduled time & cannot leave college without prior permission.
Everyday students have to maintain their uniform properly & have wear their ID – Card during college hours; otherwise they will not be allowed to enter the college premises. In case, ID-Card is lost, that student has to issue a police diary & have to submit it to the college. Issuing new ID-Card is chargeable.
Students have maintain 80% of attendance in each semester for availing the facility of giving exam.
Student, who will get the scholarship, have to maintain minimum 70% marks in each semester to retain their scholarship for rest of the period. Otherwise their scholarship will be cancelled.
Students have to attend all the seminars, special lectures & certification courses arranged by ECMT.
Harming any of college property will be regarded as punishable offence. As punishment college can suspend the guilty person or money will be charged.
Labs & Library can be used only with permission. Without permission no one is allowed. Labs & Library have to be used with proper care. Any harm to these are punishable.
Students found guilty in disobeying the rules of the college or with any inappropriate behavior will be subject of punishment. As punishment suspension or cancellation of registration will be in course of action.

## HOSTEL FACILITIES

In addition to its outstanding accommodation offerings, ECMT goes above and beyond by providing excellent recreational facilities. Notably, the presence of well-maintained playgrounds adds a valuable dimension to the overall student experience. These areas contribute to a holistic environment, fostering not only academic growth but also physical well-being and social interaction. ECMT's commitment to creating a positive and secure living experience is further enriched by the inclusion of such amenities, reinforcing its dedication to nurturing a well-rounded educational journey for its students.

- 24x7 Wi-Fi connectivity provided in all hostels
- CCTV cameras at entrances of all hostels and foyer inside the campus
- 24x7 electricity and water supply in all the hostels
- Cafeteria and canteen
- Solar system
- Caretakers and housekeeping services are provided in all hostels during day and night
- Gym Facility available.

# OUR IMPORTANT COMMITTEES

## ANTI-RAGGING COMMITTEE

ECMT has ragging free campus. Numbers of Anti-Ragging measures are taken to ensure strict compliance. Students will refrain from ragging of any kind and those who violate this rule will be instantly suspended from the college. The matter will be placed before the Anti-Ragging Committee, which will review the incident of ragging and take action according to the process of law. Students must take note that ragging results in their dismissal from college. The attention of the students is also drawn to the judgment of the honorable Supreme Court of India wherein it is mandatory for the institution to file a complaint with the Police Authority, and with all resulting consequences as per "The Circular of the Education Department, Government of West Bengal on Prohibition of Ragging in Colleges and Hostel."

## INTERNAL COMPLAIN & SEXUAL HARASSMENT COMMITTEE

In pursuance of UGC (Prevention, prohibition and redressal of sexual harassment of women employees and students in higher educational institutions) Regulations, 2015 read with Sexual Harassment of Women at Workplace ((Prevention, prohibition and redressal) Act, 2013 and in partial modification of Office Order No. 449dated 05.08.2016, Internal Complaints Committee (ICC) is RE-constituted as under to deal with the complaints relating Sexual Harassment at work place.

## GRIEVANCE REDRESSAL COMMITTEE

The Grievance Redressal Committee shall consider only individual grievances of specific nature of staff and students of the institute raised individually by the concerned aggrieved employee or student.

## DISCIPLINARY COMMITTEE

The primary objective of the disciplinary committee is to address and effectively solve various student related matters, it is bridge between students and authorities. The committee has to maintain a balance between student's demands/problems and feasibility of solution provided by authorities.

## EQUAL OPPORTUNITY CELL

Emphasis to the deprived groups for learning and creating space for them to mainstream themselves will be the job of Equal Opportunity Cell which will run specific scheme of coaching for Scheduled Castes, Scheduled Tribes, OBC (non-creamy layer), and Minorities in order to enhance the employability and success.

# GOVERNING BODY

Governing body is the elite decision making body of the college. The eminent figures of the Governing body are enlisted below :

| SL. | NAME | DESIGNATION | PROFILE |
|---|---|---|---|
| 1. | DR. R. T. GOSWAMI | CHAIRMAN OF GB | PRO VICE CHANCELLOR ADAMAS UNIVERSITY |
| 2. | MR. SAMIR CHAKRABORTY | MEMBER | CHAIRMAN, NIRMALA FOUNDATION |
| 3. | DR. CHANDAN DAS | MEMBER SECRETARY | PRINCIPAL IN CHARGE, ECMT |
| 4. | DR. AMBAR DUTTA | MEMBER | ASSOCIATE PROFESSOR, AMITY UNIVERSITY, KOLKATA |
| 5. | MR. SWAPAN KUMAR KARAK | MEMBER | MANAGING TRUSTEE, NIRMALA FOUNDATION |
| 6. | DR. SURAJIT GOON | MEMBER | ACADEMIC DIRECTOR, EMINENT GROUP OF COLLEGES |
| 7. | DR. DHIMAN CHOTTOPADHAYAY | MEMBER | HONOURABLE MEMBER, NIRMALA FOUNDATION & RENOWNED DOCTOR |
| 8. | MS. BARNALI MISTRI | MEMBER | ASSISTANT PROFESSOR, ECMT |
| 9. | DR. SOURAV MAZUMDER | MEMBER | PROFESSOR, ECMT |
| 10. | DR. C. M. HOSSAIN | MEMBER | MEMBER REPRESENTATIVE OF MAKAUT |
| 11. | DEPT. OF HIGHER EDUCATION NOMINEE | MEMBER | DEPT. OF HIGHER EDUCATION |
